Hey, \*\*Chrome\*\*'s here! I learned that Tsukki likes shortcakes. So... why not? winkwonkwinkwonk.

><p>Silence screamed as Tsukki and Yamaguchi ate their shortcakes together. Yamaguchi thought that the silence would stayâ€"he was wrong.<p>

"Yamaguchi," Tsukki called out. The said guy turned his head to him. The gap between them were only a few centimeters. He bet that his face is completely red. "Y-Yes?"

The silence was back. Yamaguchi stared into Tsukki's golden hues. Then Tsukki spoke, raising his hand to the freckled guy's cheek, rubbing it softly. "You can't eat cakes with your cheek, idiot," the blond said.

And Yamaguchi thought he was going to die out of embarrassment.
